**AGRICULTURE DIVISION**

**2013 FORAGE SEED USAGE SURVEY**

This survey is conducted in cooperation with Agriculture and Agri-Food Canada and the Canadian Seed Trade Association. Its goal is to better evaluate trends in usage of improved forage seed varieties.

**How to read this report:**

Table 1.1 shows shipments in metric units (kilograms), whereas Table 1.2 shows the same shipments in imperial units (pounds).

For release March 7, 2014
