****Please note:**

- Some varieties may not be readily available for the next few years due to lack of available Breeder Seed from AAFC
- Some varieties have changed hands and due to low Breeder stock at AAFC, Managing Companies do not have immediate access to breeder seed.
- Carlton Brome is under the management of a new CFSP Managing Company
- Beaver and Rambler Alfalfa is under the management of a new CFSP Managing Company
- Yukon Sweet Clover is going through the de-registration process with CFIA due to a continuous lack of supply or demand.
- Unless interest is shown in taking over the Management of Prairieland Altai Wild Rye, the variety will be de-registered.
