The opportunity

Apply now to be a Future Influencer at 2016 GrowCanada® and make a real contribution to the future of agriculture.

The Canadian Seed Trade Association (CSTA) will sponsor two “Future Influencers” who will be featured at Canada’s premiere agricultural conference: GrowCanada 2016. The theme for the 2016 is **Up to the Challenge**. Read more about the theme at growcanadaconference.ca.

Students with an interest in this opportunity are asked to apply with a 500-word (maximum) essay answering the following question:

Canadian farmers have always led world efforts in producing safe and affordable food for consumption at home and around the world. In your opinion, which agricultural innovation is best positioned to help Canada be up to the challenge of sustainably providing sufficient food, fuel and fibre for future generations?

How to apply

CSTA covers conference registration, and the cost of travel and accommodations at the Westin Ottawa Hotel, 11 Colonel By Drive, Ottawa, ON, for two winners and their chaperones.

Apply by email before October 24, 2016, to tneuman@cdnseed.org. Include this application form and essay in an email. Applicants will be contacted for a phone interview in early November.
